

**Operating and Safety Instructions****CONCRETE MIXER - ELECTRIC****USES** Mixing of Mortar/Concrete**PRE CHECK**

Check mixer is sitting level  
Electric extension lead is positioned safely  
Ensure transformer or a residue current device (RCD) unit is used

**STARTING**

Plug lead into transformer  
Turn on power supply  
The mixer will automatically start when power is switched on as mixer may not have an independent switch

**OPERATION**

Decide on your mix ratio  
Do not overload mixer  
Always keep mixer on level plane

**STOPPING**

Turn off at power supply  
Unplug lead

**SAFETY PRECAUTIONS AND EQUIPMENT**

Do not push shovel in bowl of mixer when mixing is in process  
When using in wet areas, keep leads out of water  
Always use a residual current device (RCD) unit or transformer  
Wear goggles to protect eyes from cement and sand  
Keep children well clear of mixer  
Do not leave mixer unattended while running  
Beware of loose clothing  
Ensure all guards are in place  
Do not use in flammable or explosive areas  
*Personal Safety Equipment: Goggles, gloves*

**HAZARDS**

Faulty power leads  
Unstable sitting of mixer  
Loose clothing  
Excess water around mixer

**Personal Protective Equipment**
